Your County Council election candidate for **Mundesley**

Better for **housing**  
Better for **the environment**  
Better for **tourism**

**Better for Norfolk**

**Vote for Crispian Riley-Smith on Thursday 6th May**

**"I'm delighted Crispian Riley-Smith is standing to be your next County Councillor for Mundesley. His background in business and deep concern about coastal erosion and the environment are just what we need, as we work together for Mundesley and the surrounding area.**

Only the Conservatives can deliver the ideas and support needed to rebuild the economy and make the changes which will ensure success. We've spent over £280 billion to help the country through Covid, and are delivering one of the most successful vaccination programmes in the world so life can get back to normal, quickly. Meanwhile the Lib Dems seem stuck in the past, with no vision and no ideas. The choice on Thursday 6th May is clear.

**Please support Crispian so we can work together for a better, safer Norfolk. Thank you."**

**Crispian RILEY-SMITH**

It's a privilege to be standing for election as your new County Councillor for the Mundesley Division.

I work in the art market, and have been running my own businesses for 22 years.

When I was living in Yorkshire I was on the Parochial Church Council and helped with the cutting of grass in the village. Since moving back to Norfolk I attend the church in Felmingham. I stood in the 2019 District Council elections and know this area and its challenges and opportunities very well.

I have three children, and enjoy sailing, cycling, walking, and swimming. I am particularly keen to help our great outdoor visitor economy thrive - as well as making sure local people can afford to live and work here.

You can find my priorities for the Mundesley area on the back of this leaflet. But I'm also keen to hear your ideas - and to help with any local issues or concerns you may have. I'd love to hear from you, so please do get in touch. **Please remember to vote Conservative on Thursday 6th May!**

## LOCAL NEWS

I have been speaking to residents recently, and concerns have been focused on local highway issues such as potholes and speeding; and on the ongoing problems with coastal erosion and cliff falls.

These are issues I intend to explore in full and bring up at County Council level when elected. Keeping people safe and protecting property are vital for local people and visitors alike.

## My priorities for the **Mundesley** County Division

I want to assist with the planning and expansion of affordable homes for local people, making it easier to live and work here

Coastal erosion is a particular concern for those living along the North Norfolk coast, and I will do everything possible to help address this

Events and tourism play a vital part in our local economy. Particularly after the devastating effects of Covid-19, I will support local businesses in their recovery, and maximise opportunities for growth and development

### Did you know?

**Each County Councillor has a budget of £10,000 a year from the Councillor Local Member Fund, to spend on highways and environmental projects in their area.**

Are there any highways issues you would like sorting out? Do drivers speed along your road? Would putting in a SAM2 speed radar sign help? Do you know a drainage problem or other environmental issue?
