

Eric Vardy

Your local candidate for the District Holt Ward

WORKING HARD FOR
A BETTER, MORE
PROSPEROUS NORTH
NORFOLK

It's a privilege to be standing for election as your new District Councillor for the Holt Ward. Duncan Baker, our local MP, has served the town and surrounding area very well indeed over the past few years, but has now stepped down as a district councillor to devote more time to his new role as a Business Ambassador for the East of England.

I'm a retired Police Inspector and Community Bookshop owner, and live locally with my wife and family. My past experience as a business owner helps me understand the difficulties many businesses are experiencing as a result of Covid-19.

Councils don't spend their money - they spend yours: so we have a duty to be prudent, especially in these difficult times.

Under the Liberal Democrats' control, North Norfolk District Council has wasted over £1.9 million of your money, with nothing whatsoever to show for it - including a pointless £500,000 management restructuring in the middle of the pandemic.

I believe North Norfolk deserves better and, when elected, I will fight passionately to ensure every single penny of your money is used wisely and responsibly, for the good of local people.

I care passionately about Climate Change. The Climate Emergency is already here, and it's vital that we act to protect the planet for future generations.

I look forward to working with the Conservative Group at NNDC to help make North Norfolk a better, more prosperous place to live and work.

If you have ideas, issues, or concerns you'd like to discuss, please do contact me. And most importantly of all - **please remember to vote Conservative on 6th May!**
