

Michael Dalby

Your County Council election candidate for **Wells Division**

Better for **local residents**
Better for **tourism**
Better for **arts and culture**

Better for Norfolk

Vote for Michael Dalby on Thursday 6th May

"I'm delighted Michael Dalby is standing to be your next County Councillor for Wells. His background and expertise in health and social care is just what we need, as we work together for Wells and the surrounding area.

Only the Conservatives can deliver the ideas and support needed to rebuild the economy and make the changes which will ensure success. We've spent over £280 billion to help the country through Covid, and are delivering one of the most successful vaccination programmes in the world so life can get back to normal, quickly. Meanwhile the Lib Dems seem stuck in the past, with no vision and no ideas. The choice on Thursday 6th May is clear.

Please support Michael so we can work together for a better, safer Norfolk. Thank you."

Duncan Baker
Your Member of Parliament

Michael DALBY

It's a privilege to be standing for election as your new County Councillor for the Wells Division.

I work as a Care Assistant in a nursing home, and am currently training in mental health and adult nursing.

I stood for election in the Coastal Ward during the 2019 District Council elections, and know the area well.

As we come out of the Covid-19 crisis, it's important we support our local businesses and economy, to begin a big recovery. In particular, I will support free parking in Wells to bring in more visitors - helping to restart our tourism after a period where so many of our leisure and hospitality businesses have suffered will be important.

You can find out more about my priorities for the Wells area on the back of this leaflet. But I'm also keen to hear your ideas - and to help with any local issues or concerns you may have. I'd love to hear from you, so please do get in touch. **Please remember to vote Conservative on Thursday 6th May!**

Planting 1m trees and hedgerows

Supporting **renewable energy** and **offshore power**

Fitting **low-energy lightbulbs** to over 15,000 street lights

THE ENVIRONMENT

Three Questions to ask the Lib Dem Candidate:

1. Why are you still going on about the EU?

The UK has already signed trade deals with over 60 countries. But Lib Dem leader Ed Davey still wants us to rejoin the EU.

2. Is it true you wanted us to join the EU vaccine programme?

Yes. The UK has so far vaccinated nearly 4 in 10 people - parts of the EU have so far managed fewer than 1 in 10. But Ed Davey said it was "unbelievable" the UK isn't part of the EU vaccination programme.

3. Do you think spending £500,000 on a management restructuring is a good use of taxpayers' money?

Lib Dems at North Norfolk District Council have wasted over half a million pounds on this pointless exercise - in the middle of the pandemic!

UNDER THE LIBERAL DEMOCRATS, NORTH NORFOLK DISTRICT COUNCIL HAS WASTED OVER £1,900,000 OF YOUR MONEY WITH NOTHING WHATSOEVER TO SHOW FOR IT.

My priorities for the Wells County Division

I will **support local businesses** and the economy, whilst respecting, protecting, and preserving the unique character of our town and villages, and finding a balance between tourism and local people's needs

I will work to ensure those who have homes in and around Wells but do not live here all year round **make a fair contribution** to the town

I want to see **more car parking** in Wells - maybe even a Park & Ride - and will encourage the offer of free parking as the town recovers from the challenges of the Covid-19 pandemic

I will support **arts and culture**, particularly Wells Maltings - a fantastic venue which will also need further help and support to recover from the effects of the pandemic

Did you know?

Each County Councillor has a budget of **£10,000** a year from the Councillor Local Member Fund, to spend on highways and environmental projects in their area.

Are there any highways issues you would like sorting out? Do drivers speed along your road? Would putting in a SAM2 speed radar sign help? Do you know a drainage problem or other environmental issue?

Why not tell us what you'd like to see this money spent on in your town or village? Visit
