Your County Councillor for **Hoveton & Stalham**

Better for **the environment**

Better for **people**

Better for **the economy**

**Better for Norfolk**

**Vote for Cllr Nigel Dixon on Thursday 6th May**

**“I’m delighted Nigel Dixon is again standing to be your County Councillor for Hoveton & Stalham. His huge experience as a councillor and background in business is just what we need, as we work together to help local businesses back to their feet after Covid-19.**

Only the Conservatives can deliver the ideas and support needed to rebuild the economy and make the changes which will ensure success. We’ve spent over £280 billion to help the country through Covid, and are delivering one of the most successful vaccination programmes in the world so life can get back to normal, quickly. Meanwhile the Lib Dems seem stuck in the past, with no vision and no ideas. The choice on Thursday 6th May is clear.

**Please support Nigel so we can work together for a better, safer Norfolk. Thank you.”**

## Cllr Nigel DIXON

It's a privilege to be standing again for election as County Councillor for Hoveton & Stalham.

I have been your county councillor for the past 12 years. I'm Stalham born and bred, and have lived in Hoveton for the past 37 years. I worked in aeronautical engineering for the RAF for 23 years, retiring at the rank of Squadron Leader. My second career was as Head of Engineering at Norfolk Fire Service, and I have run my own business for the past 33 years. I have held several Board level positions on public bodies, including Chairman of an NHS Trust, over a 20 year period.

My voluntary service has included 26 years as a magistrate, various trusteeships, and currently I am Chairman of a Community Care Car Scheme and a Good Neighbour Scheme. I've been a District Councillor for 14 years too, performing Cabinet and committee chairmanship roles.

You can find my priorities for the Hoveton & Stalham area on the back of this leaflet. But I'm also keen to hear your ideas - and to help with any local issues or concerns you may have. I'd love to hear from you, so please do get in touch. **Please remember to vote Conservative on Thursday 6th May!**

## FOCUS ON CLIMATE CHANGE

The environmental (climate) changes of recent years together with Covid-19 highlight our reliance on delicate balances between the need for a strong, sustainable economy, a thriving and biosecure natural world, and our desire to improve our quality of life.

We now recognise how vulnerable we can be if we don't value and protect those things we too often take for granted. My three priorities reflect my determination to do what's best for Norfolk, and for Hoveton & Stalham Division.

## My priorities for **Hoveton & Stalham**

I will work to **protect the environment**. In particular: surface- and foul-water flood prevention; sympathetic and sustainable low-carbon development; and landscape and wildlife ecosystem conservation.

I want us to **value people**: especially through social care of the elderly and vulnerable; education, vocational training and career opportunities for young people; and sustainable communities with a good quality of life.

I'm committed to **supporting the economy** - job creation and inward investment, road congestion relief, better broadband/mobile, and work to make sure the right balance is found between human demand and nature

## Did you know?

Each County Councillor has a budget of **£10,000** a year from the **Councillor Local Member Fund**, to spend on **highways and environmental projects** in their area.

Are there any highways issues you would like sorting out? Do drivers speed along your road? Would putting in a SAM2 speed radar sign help? Do you know a drainage problem or other environmental issue?
