Better for **tourism**

Better for Norfolk

Vote for Richard Parker on Thursday 6th May

"I'm delighted Richard Parker is standing to be your next County Councillor for Cromer. His background and expertise in health and social care is just what we need, as we work together to bring additional facilities to Cromer Hospital.

Only the Conservatives can deliver the ideas and support needed to rebuild the economy and make the changes which will ensure success. We've spent over £280 billion to help the country through Covid, and are delivering one of the most successful vaccination programmes in the world so life can get back to normal, quickly. Meanwhile the Lib Dems seem stuck in the past, with no vision and no ideas. The choice on Thursday 6th May is clear.

Please support Richard so we can work together for a better, safer Norfolk. Thank you."

Richard PARKER

It's a privilege to be standing for election as your new County Councillor for the Cromer Division.

I'm a Registered Nurse and former Chief Operating Officer of the Norfolk & Norwich Universal Hospital. I now run my own business, providing advice and support to NHS and private healthcare providers.

During the Covid-19 crisis, I have provided support and advice to a number of businesses, both locally and further afield, helping them with their response to the pandemic and suggesting ways they could help the NHS.

I'm a keen rugby fan, and I'm a supporter and sponsor of the North Walsham Vikings Rugby Football Club. In my spare time you're likely to find me walking my dogs or paddling my canoe on the River Bure.

You can find my priorities for the Cromer area on the back of this leaflet. But I'm also keen to hear your ideas - and to help with any local issues or concerns you may have. I'd love to hear from you, so please do get in touch. **Please remember to vote Conservative on Thursday 6th May!**

Three Questions to ask the Lib Dem Candidate:

1. Why are you still going on about the EU?

The UK has already signed trade deals with over 60 countries. But Lib Dem leader Ed Davey still wants us to rejoin the EU.

2. Is it true you wanted us to join the EU vaccine programme?

Yes. The UK has so far vaccinated nearly 4 in 10 people - parts of the EU have managed fewer than 1 in 10. But Ed Davey said it was "unbelievable" the UK isn't part of the EU vaccination programme.

3. Do you think spending £500,000 on a management restructuring is a good use of taxpayers' money?

Lib Dems at North Norfolk District Council have wasted over half a million pounds on this pointless exercise - in the middle of the pandemic!

UNDER THE LIBERAL DEMOCRATS, NORTH NORFOLK DISTRICT COUNCIL HAS WASTED OVER £1,900,000 OF YOUR MONEY WITH NOTHING WHATSOEVER TO SHOW FOR IT.

My priorities for the **Cromer County Division**

- I will fight to make sure that **health and social care** work better together to support our older residents, whether in their own homes or in care.
- I will commit to working with local businesses to ensure our economic recovery after Covid-19 is supported by the County Council to the fullest extent possible.
- I will work closely with the local authority to strike the **right balance between tourism and local residents' needs**.
- I will work with Duncan Baker MP and local people to find solutions to the problem of **ambulance response times**, and to **support our local hospital** here in Cromer.

Did you know?

Each County Councillor has a budget of **£10,000** a year from the **Councillor Local Member Fund**, to spend on highways and environmental projects in their area.

Are there any highways issues you would like sorting out? Do drivers speed along your road? Would putting in a SAM2 speed radar sign help? Do you know a drainage problem or other environmental issue?
