Your County Councillor for **South Smallburgh**

**Vote for Richard Price on Thursday 6th May**

**“I’m delighted Richard Price is standing to be your County Councillor for South Smallburgh again. His deep commitment to and passion for the area are just what we need, as we work together for everyone who lives in the South Smallburgh division.**

Only the Conservatives can deliver the ideas and support needed to rebuild the economy and make the changes which will ensure success. We’ve spent over £280 billion to help the country through Covid, and are delivering one of the most successful vaccination programmes in the world so life can get back to normal, quickly. Meanwhile the Lib Dems seem stuck in the past, with no vision and no ideas. The choice on Thursday 6th May is clear.

**Please support Richard so we can work together for a better, safer Norfolk. Thank you.”**

## Cllr Richard PRICE

It's a privilege to be standing for election again as your County Councillor for the South Smallburgh Division.

I have been a county councillor since 2017, and have also served as a district councillor. Over the past four years I have been a member of the Norfolk Health Overview & Scrutiny Committee, ensuring that our health concerns are recognised. I also sit on the County Scrutiny Committee representing your views.

I spent 40 years in the leisure and hospitality industry and have a deep understanding of the challenges facing our businesses as we emerge from the Covid-19 pandemic.

I make a huge effort to attend parish council meetings across the division, and take all local concerns forward; as well as working with our MP, Duncan Baker, who is a close friend of many years.

You can find my priorities for the South Smallburgh area on the back of this leaflet. But I'm also keen to hear your ideas - and to help with any local issues or concerns you may have. I'd love to hear from you, so please do get in touch. **Please remember to vote Conservative on Thursday 6th May!**

## LOCAL NEWS

Speeding and flooding are the issues which many residents speak to me about.

I have now funded, from my County Councillor's local member grant, SAM2 cameras for all villages that wanted one. But there's still more to do.

Flooding affects many of our country lanes and I am working with local people to resolve these issues.

## My priorities for the **South Smallburgh** County Division

I will continue tackling **road safety and speeding** issues in our villages, having already organised and provided seven villages with 'SAM2' speed cameras.

I will continue doing everything I can to **resolve flooding issues**, which have had such a devastating effect for far too long

I will use all opportunities at County Council level to **help local businesses and individuals** recover safely after the challenges of the Covid-19 pandemic

## Did you know?

Each County Councillor has a budget of **£10,000** a year from the **Councillor Local Member Fund**, to spend on highways and environmental projects in their area.

Are there any highways issues you would like sorting out? Do drivers speed along your road? What other speed reduction measures would you like to see? Do you know a drainage problem or other environmental issue?

Why not tell us what you'd like to see this money spent on in your town or village? Visit
